

REWARD FOR FILMORE JAMISON

Some people are asking who will pay the reward. Please be advised that a reward of \$3,500.00 has been offered as follows:

\$1,000.00 reward for any person who finds the body of Filmore Jamison, dead or alive.

\$2,000.00 reward for any person or persons who furnishes any information leading to the arrest and conviction of the persons connected with the case, provided a crime has been committed.

\$500.00 reward has been offered by the Board of Supervisors of Franklin County, Va., to any person who furnishes any information leading to the arrest and conviction of the person or persons connected with the case, provided a crime has been committed. However, no Virginia County, City or State law enforcement officers are eligible for the \$500.00 reward offered by the County.

The Jamison Family has made the necessary arrangements with me as Commonwealth's Attorney to pay off the reward upon proof that the above requirements have been met.

This reward is good until the 1st day of July, 1951.

VIRGIL H. GOODE, Commonwealth's Attorney

Franklin County, Rocky Mount, Virginia.
